SELLER DISCLOSURE REPORT - VACANT LAND

PROPERTY OWNER: Patrick Callahan,

PROPERTY ADDRESS: 120 acres, Cty MM, Town of Scott, Merrill, WI 54452

OWNER HAS OWNED THE PROPERTY FOR 25 YEARS.

Wis. Admin. Code § RL 24.07(1)(a) requires listing brokers to inspect the property and to "make inquiries of the seller on the condition of the structure, mechanical systems and other relevant aspects of the property. The licensee shall request that the seller provide a written response to the licensee's inquiry." Wis. Admin. Code § RL 24.07(2) requires listing brokers to disclose all material adverse facts discovered in Broker's inspection or disclosed by Owner, in writing, in a timely manner, to all parties. This Seller Disclosure Report is a tool designed to help the licensee fulfill these license law duties. Owner's statements are a representation of Owner's knowledge of the Property's condition. It is not a property condition warranty by the Owner or any agent of the Owner, nor is it a substitute for any inspections or testing Buyer may wish to have done. Buyer may, however, rely upon this information in deciding whether or not, or upon what terms, to purchase the Property. In this form, "defect" means a condition that would have a significant adverse effect on the value of the Property; that would significantly impair the health or safety of future occupants of the Property; or that if not repaired, removed or replaced would significantly shorten or adversely affect the expected normal life of the premises.

Are you aware of any of the following with regard to the Property? "Aware" means to have notice or knowledge.
